

We rally volunteers, and in some cases, skilled trade professionals, to work at your project site. We do not provide funding for projects, but we will gladly work with you to identify possible sources for funding. We do not provide materials/equipment.

Note: Although it is our intent to meet all the needs of the community on LIVE UNITED® Day, United Way of Cass County reserves the right to accept or deny applications based upon available skills of the volunteers performing the work. Some projects may require specific skills. If the proper volunteer is not aligned with a project, we may have to deny your project.

Timeline (subject to change):

- **July 6th** - Project Proposals due - Organizations can submit up to 4, unless special consideration is granted.
- **July** - Committee will meet & review project proposals, Project Manager completes Site Visits (if applicable), and skilled labor will be recruited when necessary
- **August 3rd** - Notification of project approval/denial will be sent by this date. Notifications will be sent sooner, if possible.
- **TBD** - Volunteer registration deadline (mid to late August)
- **September 11th** - LIVE UNITED® Day

LIVE UNITED® Day District Chairs:

District Chairs help identify and coordinate projects. You are welcome to reach out to your District Chair to discuss potential projects, but proposals must be submitted through Jotform.
