

# Great Things Happen When We LIVE UNITED!

**Join Us to  
Live United in  
2017!**

**Unite:** To bring together so as to form a whole. To combine (people) in interest, attitude, or action. To join and act together in a common purpose or endeavor.

**Your United Way** has been bringing people together now for 80 years, forming cohesive groups to support area organizations, all in an effort to strengthen our common purpose of providing Education, Income and Health initiatives for a United Cass County.

**Your United Way** is staffed with well over 1,000 volunteers every year, offering their time, talents, energy and financial support to every corner of Cass County. From Live United Projects, 2-1-1 Information and Referral Services, Reading Railroad, plus direct financial support to 12 local agencies and programs. United Way works to strengthen our entire community.

**Your United Way** helps provide for local youth mentoring, after school programs, financial assistance scholarships, food sustainability, behavioral and developmental assistance, disaster relief, Armed Forces emergency services, area transportation, and leadership training 365 days per year, here in Cass County.

**Your United Way** recognizes there are boundaries that are often associated with various social, economic, ethnic, health or educational differences in our greater population – and, **Your United Way** is committed to reduce and eliminate those boundaries.
